MEET OUR SPEAKERS

KEYNOTE SPEAKER

JOSH DENNIS

Business in the Age of AI

Josh Dennis is the founder and CEO of Emerald Beacon, a fractional CMO service that leverages AI heavily.

In this keynote, Josh will share how AI augments teams—from research and positioning to campaign optimization and measurement—so leaders can scale up their growth with confidence.

- ✔ A practical AI marketing stack: what to automate vs. keep human.
- ✔ Playbooks for ICP, messaging, media mix & measurement
- ✔ Real-world pitfalls, governance, and quick wins you can use today

DISRUPTORS MEDIA SPEAKER

Kyle Painter The AI Business Brain

Kyle is a co-founder of Disruptors Media, and AI marketing agency. He is passionate about helping business owners free up time and unlock profits through AI.

Kyle's remarks will focus on the concept of the "Business Brain" — a central AI that intimately understands the entire business. This intelligent system:

- ✔ Stores ALL data and client interactions
- ✔ Orchestrates the work of human and AI employees
- ✔ Works WITH the business owner to self-improve

Hosted by Disruptors Media

In the Age of AI, businesses that embrace automation and intelligent systems will far outpace those that don't. Our mission is to help you understand how to practically apply AI in your business—today.

What you'll get:

- Actionable education on real-world AI use cases
- One-on-one time with the Disruptors Media team to apply what you've learned to your business

What we get out of it:

We genuinely want to help. These events are free because we believe in offering value upfront. If you decide you'd like help implementing AI systems afterward, we offer services that can support you.

Join us at the newly remodeled Disruptors Media Event Hall — a beautiful, spacious venue built for real connection and collaboration. You'll feel the energy the moment you walk in.
